GEM REGISTRATION

(GOVERNAMENT E MARKET PLACE)

The term "GEM registration service" might refer to the Government e-Marketplace (GEM) registration service. The Government e-Marketplace is an online platform launched by the Government of India to facilitate procurement of goods and services by various government departments, organizations, and agencies.

Kakatiya technologies provides help businesses and suppliers register on the GEM portal, navigate the registration process, and ensure compliance with the platform's requirements. Kakatiya technologies often offer assistance with documentation, verification, and other formalities involved in the registration process.

If you're interested in GEM registration services, contact Kakatiya technologies for further assistance.

REQUIRED DOCUMENTS FOR GEM REGISTARTION

- **PAN Card** (proof to the individual's personal identity and address authentication)
- **Company Registration** (proof of the affiliation with an organization), Udyog Aadhar, or LLP-associated requirements
- **TIN or VAT number** (if applicable)
- A copy of the **canceled cheque** (from the same bank account of the applicant)
- A separate address and **identity proof**
- The proof of the applicant's bank account and the supportive **KYC documentation**
- The **Trademark** certification
- Documentation on the type of services or products provided by the organization
- The **address proof** of the head office of your company
- Mobile number (which has been connected with your Aadhar Card)
- **MSME documentation** (if any available)
- **NSIC papers** (if any available)

The latest paperwork of **ITR** (ITR certification with computation where details about gain and profit from business and sales are available)
The completion of the gem seller registration process is contingent upon the presentation of the previously stated documentation. However, the applicant will be removed from the registration process if any kind of falsification or tampering is discovered. In addition to applying, he or she could have to stay.
